KRAZY KAT "WEB FEET"

Krazy Kat is out riding with his girl friend, Miss Kwack-Kwack, when suddenly she gets out and walks. A Giant spider captures her and takes her to his web. Krazy Kat sees this and pursues him. He locates Miss Kwack-Kwack in the spider's den and rescues her just as the spider is about to get her in his power.

They escape but are recaptured by an army of spiders who spin a web around both of them. Krazy Kat squirms around till the web resembles an aeroplane propeller and they fly out of the web.

Upon landing, Krazy Kat proposes to Miss Kwack-Kwack and she accepts. They go to the preacher and are married. Mrs. Krazy Kat following the prevalent fashions demands money and luxuries which Krazy Kat cannot give her as he is broke. Thereupon the love flame dies and she produces a rolling pin and beats him up.

THE END.
